PRIVACY NOTICE FOR RESIDENTS OF CALIFORNIA

This Privacy Notice for California Residents is an addition to the information in the Privacy Policy above and applies only to California residents. This notice does not apply if it is inconsistent with applicable federal law including HIPAA.

- **Rights Afforded to California Residents**

- Right to Information. California residents have the right to request that We disclose what personal information We have collected about You. This includes the right to request categories, sources, and purpose of any personal information we collect and the categories of third-parties with whom we share this information. Additionally, You have the right to request what personal information We have sold or disclosed about You. This includes the right to request personal information We have sold in the preceding twelve (12) months, categories of third-parties to whom Your personal information has been disclosed, and categories of personal information We disclosed about consumers for a business purpose.

- Right to Erasure. California residents have the right to request that We delete any personal information that We have collected from them. AMT shall be permitted to not comply with this request if it is necessary to:
 - Complete the transaction for which the personal information was collected, fulfill the terms of a warranty or product recall conducted in accordance with federal law, provide a good or service requested by You, complete a request reasonably anticipated within the context of the ongoing business relationship, or otherwise perform a contractual obligation between AMT and You;
 - Detect security incidents, protect against malicious fraud, deceit, or illegal activity, or prosecute those responsible for that activity;
 - Debug, identify, and repair errors that impair existing intended functionality;
 - Exercise free speech, ensure the right of another consumer to exercise that consumer's right of free speech, or any other right protected by law;
 - Comply with the California Electronic Communications Privacy Act;
 - Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest when deletion of the information is likely to render impossible or seriously impair the achievement of such research, if the consumer has provided informed consent;
 - Enable solely internal uses that are reasonably aligned with the expectations of the consumer based on the consumer's relationship with the business;
 - To comply with a legal obligation; and/or
 - Otherwise use the consumer's personal information, internally, in a lawful manner that is compatible with the context in which the consumer provided the information.
- Right to Opt-Out. California residents have the right to direct a business that sells personal information about the consumer to third-parties not to sell the consumer's personal information. To make an opt-out request, submit a request to the above contact information or by clicking this link: [Do Not Sell My Personal Information](#).
- Right for Minors to Opt-In. This website is not intended for use by individuals under the age of thirteen (13) and We do not collect personal information from minors who we know to be thirteen (13) years of age or younger. We do not sell personal information, especially that of minors. California residents under the age of sixteen (16) have the right to not have their information sold, unless:
 - For minors under the age of sixteen (16) to the age of thirteen (13), if they opt-in and consent to an entity selling their information; or
 - For minors under the age of thirteen (13), if their parent or legal guardian opts-in and consents on the minor's behalf to an entity to sell the information.
- Additional Rights. For the avoidance of doubt, California residents should also be afforded the following:
 - The consumer may only make a personal information request twice in a twelve (12) month period, of which We shall respond within forty-five (45) days;

- AMT may need to collect information from the consumer so that AMT can verify their identity;
- California residents may send requests for personal information or erasure to our website form on the Contact Us page of the Site or through the contact information listed above;
- For exercising Your rights under the CCPA, which are covered under this notice, We may not discriminate against You including, but not limited to, by denying goods or services to You, charging or suggesting different prices or rates for goods or services, or provide a different level or quality of goods or services to You
- AMT does not collect sensitive personal information as defined by the CPRA; and
- The Privacy Policy will be updated annually.

EUROPEAN UNION GENERAL DATA PROTECTION REGULATION (GDPR)

Should the processing of Your personal information be subject to the GDPR, and should We use or share Your personal information, We will ensure that We sustain an identified legal basis under which such processing of Your personal information may occur. Where We reference that we use Your personal information in connection with a request, order, transaction, or agreement (or preparing for the same), or to provide You with services that You requested (such as use of this Site), We do so because it is necessary for the performance of an agreement with You.

Additionally, should a GDPR connection arise upon implication, where We reference that We use personal information in relation to improvement, development, or marketing of our products or services, for reasons of safety and security, or to satisfy regulatory requirements, other than in connection with Your agreement or request, We do this on the basis of Our (or a third-party's) legitimate interests or with Your consent, as appropriate.

• Rights Afforded to Those Protected by the GDPR

- Right to be Informed. The right to know or be notified about the collection and use of Your information.
- Right to Access. The right to be provided with a copy of Your personal information.
- Right to Rectification. The right to require Us to correct any mistakes about Your personal information.
- Right to be Forgotten. The right to require Us to delete your personal information – in certain situations.
- Right to Restriction of Processing. The right to require Us to restrict processing of Your personal information – in circumstances, e.g., if You contest the accuracy of Your data.

- Right to Data Portability. The right to receive the personal information You provided to Us, in a structured, commonly used, and machine-readable format and/or transmit that data to a third-party – in certain situations.
- Right to Object. The right to object (i) at any time Your personal information being processed for direct marketing (including profiling) and (ii) in certain situations to Our continued processing of Your personal information.
- Right Not to be Subject to Automated Individual Decision Making. The right not to be subject to a decision based solely on automated processing (including profiling) that produces legal effects concerning You or similarly significantly effects You.
- **Where Your Personal Information is Held**
 - Information may be held at Our offices, third-party agencies, service providers, representatives, and agents as described above.
 - Some of these third-parties may be outside the EEA. For more information, including how We safeguard your personal information when this occurs, see below.
- **Transferring Your Personal Information Out of the EEA**
 - To deliver services to You, it is sometimes necessary for Us to share Your personal information outside of the EEA:
 - With Our offices outside the EEA;
 - With Your and Our service providers outside the EEA;
 - If You are based outside the EEA; or
 - Where there is an international dimension to the services We are providing You.
 - These transfers are subject to special rules under European and UK data protection law.
- **Our Representative**
 - We hope that We can resolve any query or concern You raise about the use of Your information. The GDPR allows You to lodge a complaint with a supervisory authority in the EU state where you live, work, or where any alleged infringement of data protection laws occurred.
 - In order to contact Us regarding any GDPR related matter, please contact Our representative in the EU:
